

Hello!

We'd like to invite you to join our 2026 Color Blast Fun Run/Walk as an event sponsor. Our event offers a unique and exciting opportunity to showcase your business and engage with families from Bedford and beyond. We are looking forward to the fun run continuing to be a community fundraising event where we encourage wellness, gathering our families together, getting colorful, and having fun. This year's event will be held on Sunday, May 31st, 2026 starting and ending at Bedford High School (47 Nashua Road).

The Bedford Parent Teacher Group (PTG) is a non-profit organization (tax id #04-3375071) that funds several activities from kindergarten to high school across our school district including:

- Enriching Educational Programs for Students: author visits, science programs, musicians, motivational speakers and more
- Community Events: community speakers focusing on topics impacting our students and community, new family welcome, principal winter reading night
- School Support: including donations to libraries, nurses and guidance departments and staff appreciation initiatives

Find more programs and events we support at [www.bedfordptg.org](http://www.bedfordptg.org).

Our previous Color Blasts have brought together hundreds of runners of all ages and raised thousands of dollars for the Bedford School Community. We hope that you will join our efforts in providing enriching educational opportunities, creating community events, and helping support the individual needs of our Bedford School District, while gaining positive exposure for your business. Please see page 2 of this packet for details on sponsorship opportunities and how to sponsor. If you have additional questions or would like further information on how your business can be involved email [BedfordColorBlast@gmail.com](mailto:BedfordColorBlast@gmail.com)

We thank you in advance for your consideration, and we hope to count on your support for the Bedford PTG Color Blast Fun Run/Walk!

Sincerely,

The Bedford Color Blast Committee!
