

PTG E-board Meeting August 12th, 2026 @ SAU

The Bedford Parent Teacher Group (PTG) was developed to create a working partnership with parents, teachers and school administration to foster a cooperative, enriching learning environment for the students in the Bedford School District.

The purpose of the Bedford PTG is to enhance and support the educational experience of the Bedford School District, to develop a closer connection between school and home by encouraging parental involvement, and to improve the environment in the Bedford School District through volunteer and financial support.

Bedford PTG provides enriching educational opportunities and community events for the staff, students, and families in the Bedford School District; and helps to support the individual needs of our Bedford schools.
